

ANTSA Client Consent Form (Sample for Minors)

Client Name (Minor): _____

Parent/Guardian Name: _____

Clinician Name: _____

Date: ____ / ____ / _____

Introduction

Thank you for choosing to use ANTSA, a digital platform designed to support your child's therapeutic journey. This form outlines important information about your child's use of ANTSA, including privacy considerations and the use of jAlmee, our AI therapist chatbot.

Privacy and Confidentiality

Your child's privacy is of utmost importance to us. ANTSA is committed to protecting your child's personal information in accordance with Australian privacy laws, including the Privacy Act 1988 (Cth) and the Australian Privacy Principles.

- **Data Collection and Use**: ANTSA collects personal information necessary to provide our services. This may include your child's name, contact details, and any information they provide during their use of the platform.
- **Data Security**: We implement robust security measures to protect your child's data from unauthorised access, modification, or disclosure.
- **Data Sharing**: Your child's personal information will not be shared with third parties without your explicit consent, except where required by law.

For detailed information, please read our Privacy Policy and Terms & Conditions when you sign up to ANTSA.

Consent to Use ANTSA

By signing this form, you acknowledge that:

- You have read and understood the information provided about ANTSA.
- You consent to your child's use of ANTSA as part of their therapeutic process.
- You understand that ANTSA is a digital platform and that while we strive to maintain the highest standards of security, no system can guarantee absolute security.

Disclaimer Regarding jAlmee

ANTSA offers jAlmee, an AI therapist chatbot designed to provide supplementary support between sessions.

- Supplementary Tool: jAlmee is designed to complement your child's therapy sessions. It is not a substitute for professional medical or psychological advice provided by their clinician.
- AI Limitations: As an AI chatbot, jAlmee may not fully understand or appropriately respond to all inputs. It does not possess consciousness or human judgment.
- Data Handling: Interactions with jAlmee are recorded to improve service quality. All data is handled securely in accordance with our Privacy Policy and the Australian Privacy Principles.
- No Emergency Response: jAlmee is not equipped to handle crisis situations. In case of an emergency, please contact emergency services or reach out to your child's clinician immediately.

Please indicate your preference regarding the use of jAlmee:

I consent to my child using jAlmee as part of their therapeutic process and acknowledge the disclaimer above.

I do not wish for my child to use jAlmee.

Additional Considerations

- Emergency Situations: ANTSA (and jAlmee) are not designed for crisis intervention. In case of an emergency, please contact emergency services or reach out to your child's clinician directly.
- Technical Requirements: Access to ANTSA requires an internet connection and a compatible device. Any costs associated with these are your responsibility.
- Withdrawal of Consent: You may withdraw your consent for your child's use of ANTSA or jAlmee at any time by notifying your child's clinician or contacting us directly. Upon withdrawal, we will cease collecting new data, but may retain existing data as required by law.

Acknowledgment and Consent

I have read and understood the information provided in this consent form. I have had the opportunity to ask questions and discuss any concerns with my child's clinician.

Parent/Guardian Signature: _____
